

## FESTIVAL MAKEL LOS - SANSTACHE 2017 HUNGARY, TÖRÖKBÁLINT *28<sup>th</sup> September - 3<sup>rd</sup> October 2017*

The 4<sup>th</sup> edition of the Festival Makel los – Sans Tache (<http://www.festivalmakellos-sanstache.org>) will take place in Hungary, following its previous editions in Germany, Switzerland and China. The co-founder ( with Mr Horst Tögel from Germany, former member of the Council of Fondation Paix 21) and main coordinator of the Festival, is Roselyne Crausaz Németh, who is also President and co-founder, in 2005, of the Swiss **FONDATION PAIX 21** , CH-Fribourg, (<http://www.fondationpaix21.ch>), owner of the festival. The Fondation Paix 21 organizes a festival in a different country every three year and chooses a partner. For the festival in Hungary, the partner is **NEVER GIVE UP/ NEM ADOM FEL FOUNDATION**, Budapest. ([facebook.com/nemadomfel](https://www.facebook.com/nemadomfel)).

The aim of the festival is to give integrated artistic teams the opportunity to meet each other and to showcase themselves internationally. Besides the artists' performances, community programs foster good feelings by creating bonds across borders.

The festival welcomes around 150/200 disabled and healthy young artists in mixed groups. These groups of artists, musicians and dancers will come

from different countries (for example Corea, Germany, Switzerland, Italy, Ukraina, etc.) to Hungary in the autumn of 2017 to play music together and give several concerts. Some of them are well known locally, in their countries and are eager to entertain an international audience.

**The main location** of the event is **Törökbálint** near Budapest and

**the main supporters** so far are:

Elek Sándor, the Mayor of Törökbálint

The Local Government of Törökbálint (<http://www.torokbalint.hu>)

Munkácsy Mihály House of Culture (<http://www.mmmh.hu>)

Bálint Márton Elementary and Secondary School (<http://www.balintsuli.hu>)

Törökbálint Sports Center (<http://www.tbsk.hu>)

Drive Inn Hotel (<http://www.driveinnhotel.com>)
